

Houseplant

#1 Aloe vera / *Aloe barbadensis miller*

Bloom Time: Seasonal | Light: Full sun / dry, cactus potting soil
Succulent, yellow bloom.

Perennial

#3 Astilbe / *Astilbe japonica*

Bloom Time: Late spring - early summer |
Light: Part shade - shade
White | Pink | Peach | Red | Purple

Perennial

#5 Bee Balm / *Monarda sp.*

Bloom Time: Summer | Light: Full sun - part shade
Purple | Red | White | Pink

Perennial

#7 Black-eyed Susan / *Rubekia fulgida*

Bloom Time: Summer | Light: Full sun
Low maintenance, resilient.

Creeping Perennial

#9 Bugleweed / *Ajuga*

Bloom Time: Spring | Light: Sun or shade depending on variety.
Colors vary

Herb

#11 Chamomile / *Matricaria*

Bloom Time: Summer | Light: Grows best in cool conditions
(part shade), but will also grow in full sun. Tiny daisy like flowers.

Perennial

#13 Chrysanthemum / *Chrysanthemum x morifolium*

Bloom Time: Summer - fall | Light: Full sun
White | Yellow, Orange, Lavender, Purple, Red

Perennial

#15 Columbine / *Aquilegia*

Bloom Time: Spring - early summer | Light: Full sun - part shade
Light Pastel | Red | Orange | Yellow | Purple

Native Perennial

#17 Coneflower (Pale Purple) / *Echinacea pallida*

Bloom Time: Summer | Light: Full to part sun
Thin, drooping pale purple petals.

Perennial

#19 Coral Bells / *Heuchera*

Bloom Time: Spring - early summer | Light: Full Sun to full Shade
Foliage: Lime Green | Peach | Pinkish-Red | Copper | Purple

Perennial

#2 Aster / *Symphotrichum sp.*

Bloom Time: Late summer to fall | Light: Full to part sun
Blue to purple flowers. Dies back each year.

Herb

#4 Basil (Sweet) / *Ocimum basilicum L.*

Bloom Time: Summer | Light: Sun
Spicy sweet flavor.

Perennial

#6 Bee Balm (scarlet) / *Monarda didyma*

Bloom Time: Summer | Light: Full sun - part shade
Scarlet flowers.

Native Perennial

#8 Blue Violet / *Viola sororia*

Bloom Time: April - June | Light: Full Sun - part shade
Host plant for Fritillary butterflies.

Native Perennial

#10 Butterfly Weed / *Asclepias tuberosa*

Bloom Time: Summer | Light: Full to part sun
Monarch magnet. Bright orange flowers attracts & sustains
butterflies.

Herb

#12 Chives / *Allium schoenoprasum*

Bloom Time: Mid spring-early summer | Light: Full sun or light
Shade. Onion family.

Annual Herb

#14 Cilantro, Coriander / *Coriandrum sativum*

Bloom Time: Mid-summer bolt | Light: Full sun or light shade
The entire plant is edible.

Perennial

#16 Coneflower / *Echinacea*

Bloom Time: Summer | Light: Full to part sun
Pale Purple | Purple | White / Yellow

Native Perennial

#18 Coneflower (Purple) / *Echinacea purpurea*

Bloom Time: Summer | Light: Full to part sun
Drooping purple petals. Finches love the dried seeds in the fall.

Perennial

#20 Coreopsis (Threadleaf) / *Coreopsis verticillata*

Bloom Time: Late spring - summer | Light: Full sun
Thrives in infertile soils. Tolerates drought, heat and humidity.
Yellow, Orange, Rose, Lavender, White, or Bi-colored flowers.

Perennial

#21 Coreopsis or Tickseed / *Coreopsis*

Bloom Time: Late spring - summer | Light: Full sun

Yellow, Orange, Rose, Lavender, White, or Bi-colored flowers

Perennial

#23 Cranesbill / *Geranium*

Bloom Time: Spring - early summer | Light: Full sun - part shade

Pink, white, rose, burgundy, red, purple, and bi-color.

Perennial

#25 Early Goldenrod / *Solidago juncea*

Bloom Time: July-August | Light: Full to part sun

Yellow flowers. Spreads to form colonies by rhizomes.

Attracts bees & butterflies.

Perennial

#27 Foxglove / *Digitalis grandiflora*

Bloom Time: Summer | Light: Full sun - part shade

Colors vary

Succulent

#29 Hen & Chicks / *Sempervivum tectorum*

Bloom Time: Summer | Light: Full sun - part shade

Grow indoors or out. Winter hardy in Zones 3 to 8.

Perennial

#31 Hosta / *Hosta hybrids*

Bloom Time: Summer | Light: Part shade - shade

Shades of green.

Houseplant

#33 Inch Plant, Wandering "Dude" (pink variegated) /

Tradescantia fluminensis

Bloom Time: Summer | Light: Shade - part sun (indirect light)

Pink variegated leaves.

Bulb

#35 Iris / *Iris*

Bloom Time: Spring | Light: Full sun

Colors vary.

Houseplant

#37 Jade | Money Plant / *Crassula ovata*

Bloom Time: Rarely flowers | Light: Part to full sun

Slow growing. Toxic to cats and dogs.

Deciduous shrub

#39 Knockout Rose or shrub rose / *Rosa radrazz*

Bloom Time: Spring to fall | Light: Full sun - part shade

Red | Pink | Yellow | Coral | or White flowers. Disease resistant.

Perennial

#22 Cornflower or Knapweed / *Centaurea montana*

Bloom Time: Late spring - summer | Light: Full sun - part shade

Bright blue blooms or an array of pink, lavender, violet, purple or white.

Bulb

#24 Daylilies / *Hemerocallis hybrids*

Bloom Time: Summer | Light: Full sun

Colors vary, 18-24" high.

Perennial

#26 Fern / *Leptosporangiate*

Bloom Time: None | Light: Shade

Native

#28 Hairy Beardtongue / *Penstemon hirsutus*

Bloom Time: June-July | Light: Full sun to part shade

A woolly-stemmed plant with open, stalked clusters of pink to lavender flowers.

Herbaceous Perennial

#30 Horehound / *Marrubium Vlugare*

Bloom Time: Summer | Light: Full sun

Attracts bees.

Flowering Shrub

#32 Hydrangea / *Hydrangea sp.*

Bloom Time: Summer | Light: Part to full shade

Balls of sterile flowers that grow on old wood stems.

Shrub can be cut to ground in winter if preferred.

Houseplant

#34 Inch Plant, Wandering "Dude" (soft purple) /

Tradescantia zebrina

Bloom Time: Summer | Light: Shade - part sun (indirect light)

Soft purple and green teardrop leaves.

Bulb

#36 Iris, bearded / *Iris beared hybrids*

Bloom Time: Spring | Light: Full sun

Colors vary.

Perennial

#38 Japanese Painted Fern / *Athyrium niponicum*

Bloom Time: None | Light: Shade

Silvery fronds with a touch of blue and deep red stems.

Perennial

#40 Lamb's Ear / *Stachys byzantina*

Bloom Time: Spring - early summer | Light: Full sun - part shade

Thick, fuzzy foliage, light purple flowers.

Perennial herb

#41 Larkspur / *Delphinium*

Bloom Time: Summer, possibly again late summer/early fall
Light: Full to part sun | Grows 1-3'. Showy purple or pink flowers arranged along the top of an erect stalk.

Perennial

#43 Liatris or Blazing Star / *Liatris spicata*

Bloom Time: Summer | Light: Full sun
Corm

Perennial Grass

#45 Lilyturf / *Liriope muscari*

Bloom Time: Summer | Light: Full sun - part shade
Lavender blooms.

Evergreen Perennial

#47 Martin's Spurge / *Euphorbia 'Tiny Tim'*

Bloom Time: Summer | Light: Full sun
Red flowers w/ chartreuse bracts.
Narrow bluish-green leaves. Foliage may turn pink in fall.

Herbaceous Perennial

#49 Mountain Mint / *Pycnanthemum sp.*

Bloom Time: July-August | Light: Sun to part shade
White flowers on square stems. Attracts butterflies.
Not a strong mint smell.

Deciduous shrub

#51 Oakleaf hydrangea / *Hydrangea quercifolia*

Bloom Time: Spring & early summer | Light: Direct morning sun with afternoon shade. Green & white conical flowers at first bloom with subtle shades of pink & brown as they age. Leaves with lobes like those of an oak tree.

Biennial Herb

#53 Parsley / *Petroselinum crispum*

Bloom Time: Early-midsummer 2nd year
Light: Full sun - dappled shade

Herb

#55 Peppermint / *Mentha x piperita*

Bloom Time: Summer | Light: Full sun to part shade

Houseplant

#57 Philodendron / *Philodendron*

Bloom Time: None | Light: Partial
Typically large, green, glossy leaves.

Houseplant

#59 Pothos / *Epipremnum aureum*

Bloom Time: Rarely flowers | Light: Indirect light / well drained potting soil. Thick waxy leaves.

Herb

#42 Lemon Balm / *Melissa officinalis*

Bloom Time: Summer | Light: Full sun to part shade
Inconspicuous tiny white flowers.

Perennial

#44 Lily of the Valley / *Convallaria majalis*

Bloom Time: Early to mid spring | Light: Part shade
Toxicity makes this unsafe around children or pets.

Perennial

#46 Loosestrife (Firecracker) / *Lysimachia ciliata*

Bloom Time: Summer | Light: Full to part sun
Yellow flower with burgundy foliage. Attracts butterflies.
Rabbit resistant. Spreads readily by rhizome.

Perennial

#48 Mint (common) / *Mentha sp.*

Bloom Time: Summer | Light: Full sun to part shade
Can be invasive. Container planting recommended.

Bulb

#50 Naked Lady Lily / *Amaryllis Belladonna*

Bloom Time: Summer | Light: Full sun
Light pink flowers.

Herb

#52 Oregano / *Origanum vulgare*

Bloom Time: Summer | Light: Full sun to part shade

Native Perennial

#54 Pearly Everlasting / *Anaphalis margaritacea*

Bloom Time: Summer | Light: Full sun - part shade
White flowers; tolerates drought.

Fruit

#56 Peppers / *Capsicum annum*

Bloom Time: Spring-Summer | Light: Full sun

Creeping Perennial

#58 Phlox, creeping / *Phlox subulata*

Bloom Time: Spring | Light: Full sun - part shade
Pink | Purple | Blue | White

Biennial

#60 Primrose (Common Evening Primrose) / *Oenothera biennis*

Bloom Time: Early summer to early fall | Light: Full/part sun
Flowers open in the evening and remain open through late morning. Purple | Blue | Pink | White | Orange | Red | Yellow

Native Perennial

#61 Rattlesnake Master / *Eryngium yuccifolium*

Bloom Time: July-Sept | Light: Full sun - part shade
Bristly flowers and coarse leaves.

Tender Perennial

#63 Salvia (Blue Bedder) / *Salvia farinacea*

Bloom Time: Summer | Light: Full/part sun
Purple long-lasting spikes.

Succulent

#65 Sedum, low growing /

Bloom Time: Early summer - late fall | Light: Full sun - part shade
Low growing (ground cover).

Perennial

#67 Self Heal (common) / *Prunella vulgaris*

Bloom Time: May-September | Light: Sun to part shade
Low growing; spreads readily. Purple blooms. Attracts butterflies. Larval Host of Clouded Sulphur butterfly.

Perennial

#69 Sunflower / *Helianthus*

Bloom Time: Summer - early fall | Light: Full sun

Perennial

#71 Toad Lily, Japanese / *Tricyrtis hirta (or T. japonica)*

Bloom Time: August-September | Light: Part to full shade
Orchid-like, showy, pale lilac bloom with purple spotting.
Native to Japan.

Fruit

#73 Tomato (Wapsipinicon Peach) / *Solanum lycopersicum*

Bloom Time: Summer | Light: Full sun
2" roundy fuzzy yellow tomato. Winner of SSE 2006
Heirloom tomato tasting.

Tender perennial

#62 Rosemary / *Salvia rosmarinus*

Bloom Time: Summer | Light: Full sun
Small white, pink, or blue flowers.

Tender Perennial

#64 Salvia (Evolution Violet) / *Salvia farinacea*

Bloom Time: Early summer to first frost | Light: Full sun
Violet blue flowers that last all summer. Heat and drought tolerant. Native to Texas.

Succulent

#66 Sedum, upright /

Bloom Time: Early summer - late fall | Light: Full sun - part shade
Upright (tall clumps, tiny flowers).

Perennial

#68 Shasta Daisy, 'Becky' / *Leucanthemum x superbum*

Bloom Time: Summer | Light: Full sun
Mature size: 3-4 ft tall, 2-3 ft wide. White petals with a yellow center.

Perennial Herb

#70 Thyme / *Thymus vulgaris*

Bloom Time: Mid-spring/Mid-summer | Light: Full sun

Fruit

#72 Tomato / *Solanum lycopersicum*

Bloom Time: Varies | Light: Full sun

Native Perennial

#74 Wild Geranium / *Geranium maculatum*

Bloom Time: Late spring- Early Summer
Light: Full sun - part shade
Lilac | Pink | White
